A woman in a blue polo shirt and dark trousers is walking towards the camera in a modern, open-plan office dining area. She is smiling. The room is filled with people seated at long wooden tables, eating and talking. The ceiling is high with exposed ductwork and modern lighting. There are large windows on the left side, and a black metal railing is visible on the right. A yellow backpack is on the floor near the woman.

Lunch @ Eatery

A woman with blonde hair tied back, wearing a dark t-shirt, is smiling and holding a wooden tray with five glasses of beer. The background is a modern, industrial-style bar with exposed pipes and concrete pillars. The text "Let's go to the Christmas Market!" is overlaid in large, bold, red letters.

Let's go to the Christmas Market!
